Medit Corporation; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of August 11, 1997, the State of Oregon transmitted the subject firm's request for administrative reconsideration of the Department of Labor's Notice of Negative

Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to petition number TA-W-33,487 and NAFTA petition number 01649. The denial notice was signed on July 16, 1997 and published in the **Federal Register** on August 1, 1997 (62 FR 41423).

The subject firm asserts that there are imports of like and directly competitive articles from foreign sources which caused the employment separations and provided additional information to substantiate the claim.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, D.C. this 22nd day of September 1997.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
